Latest Report Says Only Two Americans Killed.

2 HURT IN CLASH AT STATE LINE

\$250,000 in Property Destroyed by
Armed Mexicans Last Night—
Prompt Action of Officials.

NEW YORK, June 2.—George S. Robbins, secretary of the Greene Consolidated Copper Company, today received the following telegram from W. C. Greene, president of that company, from Cananea, Mexico:

"Furnaces and mines all closed down today on account of rioting among the Mexicans. Authorities giving us every protection possible, assisted by the employees of the company. The Mesa lumber yard burned and Metcalf and brother killed during disturbance and number wounded not known. No other Americans killed. Governor of Sonora, with troops, will arrive in morning. We have the situation well in hand. Smelting and concentrating plants uninjured. Trouble incited by socialist organization that has been formed here by malcontents opposed to Diaz government. Expect plants to be running full capacity tomorrow. Biesbe, Douglas and Naco have sent 200 volunteers to aid in preserving order."

An Armed American Force.

DOUGLAS, Ariz., June 2.—Gov. Ysabel of the state of Sonora arrived at Naco at 7:30 o'clock this morning and immediately gave orders permitting the armed Americans who were there from Bisbee, Douglas and all parts of Arizona to accompany him to Cananea. The Americans organized and, in command of Capt. Tom Rynning, former captain of the Rough Riders and now commander of the Arizona Rangers, left with the governor on a special train for Cananea at 8 o'clock.

There were 450 in the party. According to reports received from Cananea this morning, two Americans, George and Will Metcalf, and ten Mexicans and one child were killed there yesterday. A. S. Dwight, general manager of the Cananea Consolidated Company, was only slightly wounded. George Metcalf was Greene's rental and lumber agent, and Will Metcalf was his nephew. The number of Mexicans who were killed is believed to be about twenty.

Col. Kosterlitzky, in command of the Sonora gendarmerie, arrived at Cananea at 7 o'clock last evening. With his men he immediately proceeded against the armed Mexicans, and the ringleaders fled to the hills.

Everything was quiet at Cananea this morning and the situation is well in hand. An armed party of thirty Americans left to cross the line half a mile from Naco last night, and were opposed by Mexican forces. In the shooting which followed an American named Buchner, physical director of the Y. M. C. A. at Bisbee, was wounded in the arm, and a Mexican official was also killed. The Mexicans were then driven back.

Several hundred men, women and children, refugees who arrived from Cananea in a special train last night, are being taken care of at Bisbee and Douglas. Excitement continues high in the border cities and there is considerable feeling against the Mexicans who violated the border, reported, however, and no trouble is anticipated.

Peace Restored.

NACO, Ariz., June 2.—A telephone message was received from Cananea at 8:30 this morning, reporting that peace has been restored there.

After the arrival of the rangers last night many of the ringleaders in the riot yesterday ran into the surrounding mountains. In the shooting which followed an American named Buchner, physical director of the Y. M. C. A. at Bisbee, was wounded in the arm, and a Mexican official was also killed. The Mexicans were then driven back.

Gov. Ysabel of Sonora arrived here this morning at 7:30 o'clock with a posse from Bisbee and Douglas. He was accompanied by a large number of troops. They were immediately marched across the line, being counted by the governor's adjutant general, who accompanied him.

Story of Mr. Edgington.

LOS ANGELES, Cal., June 2.—A special to the Times from Naco says:

E. E. Edgington, principal of an American school at Cananea arrived here last night on a special train that brought refugees from the scene of the riot. Edgington tells a graphic story of the riot. He said:

"George Metcalf, head of the development department of the Greene Consolidated Copper Company, and Will Metcalf are the only Americans who have been killed, so far as I could learn. They were shot down by Mexicans while protecting company property. Between twenty-five and fifty Mexicans have been killed in the fighting. They were barricaded the home of Col. Greene when it was taken by the Mexicans. As fast as possible women and children are being rushed out of the camp on special trains."

"Every American is being armed. They are gathering at the home of Col. Greene and in the town. They are very defiant, making a stand and to protect their lives and property."

"Yesterday afternoon rioters dynamited a mine at Cananea, and secured a large number of guns. From this I judge they are not well supplied with arms, but have enough to put up a terrible fight against soldiers or Americans. The Mexicans attacked the mounted police yesterday, fighting a battle which resulted in the death of a large number of them."

"There are between fifty and seventy-five police, and half of them are siding with the rioters. Some of them are standing by the Americans, but it is feared they will not long remain with them if they see that the Mexicans are getting the upper hand."

Americans Control Town.

EL PASO, Tex., June 2.—A private tele-

gram received from Cananea today says that Americans are now in control of the town and many Mexicans have left.

One hundred rifles and a quantity of ammunition were shipped from here today to Col. Greene at Naco, and will be taken to Cananea if they can be gotten over the boundary.

MEXICANS USED TORCH.

\$250,000 Worth of Property Destroyed—5,000 Strikers Involved.

NACO, Ariz., June 2.—Latest advices from Cananea, Mexico, where a race riot raged yesterday between the Mexicans, resulting in the death of some fifty persons, many of whom were Americans, say that the Mexicans burned property valued at \$250,000, including the lumber yards and general office of the Greene Mining Company. The Mexicans then left the lumber yard and dynamited a powder house near the Sonora Hotel to secure arms and ammunition. Here the Mexican police attacked the mob, and a fierce battle ensued, several officers and a dozen strikers being killed.

A train carrying 100 men left Naco for Cananea last night, and twenty-five armed men came from Bisbee, and are guarding the American line here. There has been fighting between this party and Mexican camp officers.

The posse started to cross the line a few miles below Naco and was fired on by Mexicans in ambush. The man named Buckner was shot through the arm, and several men are missing. Shots are frequently heard, and it is feared that others may be killed or hurt.

When the last train left Cananea Col. Greene's residence was being barricaded and all the remaining Americans were gathered in the Greene residence, where the Presbyterians church, near the Greene residence, is also filled with people and barricaded. The Americans are said to be severely handicapped by lack of ammunition.

The number of striking Mexicans is estimated at 5,000. The work was making things difficult for the Americans when the last train pulled out from the camp. There are fifty to seventy-five Mexican police in Cananea and they are doing what they can to quell the disturbance. Urgent messages have been sent to Washington. It is said that United States Consul Galbraith wired the State Department that his life and that of all Americans in the camp are in danger.

Col. Greene has telephoned for every available American soldier that can be spared at Bisbee and Douglas. While the crowd was gathering yesterday Col. Greene rode down the crowded streets in his automobile and told the men that he could not accede to their demands.

There is grave fear that an attempt will be made to destroy the great reduction plant of the Greene Mining Company, which cost millions of dollars. It would require many years to replace it.
